

Hi, I'm Janelle Gardner

MARKETING | COMMUNICATIONS DIGITAL STRATEGY

Marketing graduate with a B.S. in Marketing and certificates in Digital Marketing and Project Management. Brings 6+ years of experience in customer engagement, content creation, and graphic design. Currently pursuing the Google Data Analytics Professional Certificate to strengthen research and data-informed marketing skills.

CORE STRENGTHS

**Market
Research**

**Social Media
Management**

**Digital
Marketing**

**Content
Creation**

**Google
Analytics**

**Project
Coordination**

VISION

I want to help small and mid-sized businesses grow their visibility and reach.

MISSION

Design graphics and videos that increase consumer engagement, boost click-through rates, and drive measurable website traffic.

STRATEGY

My marketing strategy is rooted in data and audience behavior. I analyze consumer metrics, social performance, and customer feedback, while researching competitors and industry trends.
