Chipotle Global Expansion

Market Entry Strategy for China

CONSUMER ANALYSIS | COMPETITIVE RESEARCH | PARTNERSHIPS | GO-TO-MARKET PLAN

THE OBJECTIVE

Evaluate China as a high-potential market and create a go-to-market strategy for Chipotle's successful entry

KEY INSIGHTS

Strong demand for high-quality, fresh, customizable foods

Rising middle-class seeks premium, yet affordable options

Health-conscious consumers value fresh ingredients

STRATEGY RECOMMENDATIONS

- Joint venture partnerships with restaurants for easier entry
- Adapt some of the key commonly used ingredients that hold cultural significance to China
- Leverage digital platforms for loyalty programs and ordering
- Partner with prominent food influencers for brand awareness
- Learn cultural pricing and discount norms
- Adopt trending promotional styles

EXPECTED IMPACT

Brand Awareness

+45%

Year 1 Sales Projection

\$11.8M

5 Year Market Projection

\$95M

Based on BRI trade opportunities
