

MARKETING STRATEGY

P&G Scalp Vitality Initiative

Expanding Pantene into Preventative Scalp Health

GO-TO MARKET STRATEGY | COMPETITIVE ANALYSIS | PRODUCT DEVELOPMENT

THE CHALLENGE

How can Pantene expand into preventative scalp health and stand out against competitors like Unilever?

RESEARCH & INSIGHTS

- Analyzed competitors (Unilever, Kimberley-Clark, and Colgate Palmolive)
- Identified market gap and trends in scalp care solutions
- Strong consumer interest in scalp health and wellness
- Opportunity to lead with innovation and trust
- Trending target market: Gen-Z and 45+

MY SOLUTION

01 TIERED DEVICE LINE

Four devices ranging in price, benefits and offerings. Promote diiferent devices for preventative and restorative scalp care.

02 MASS-MARKET SCALP OINTMENT

Create and affordable, accessible scalp treatment for daily use.

03 INTEGRATED GO-TO-MARKET

Educational campaign, influencer and dermatologist partnerships, and retail + digital launch plan.

IMPACT

Strengthens Pantene brand authority

Captures growth in scalp care market

Drives long-term consumer loyalty

Expands P&G haircare portfolio
